JACKSONVILLE STATE UNIVERSITY
Manual of Policies and Procedures

POLICY NUMBER: I:02:12  DATE: May 1, 1987
SUBJECT: Faculty/Staff Identification Cards
APPROVED: William A. Meehan, President

PURPOSE
When a new employee is hired at Jacksonville State University, he/she must have an identification card to identify that individual as an employee.

POLICY
A new employee at Jacksonville State University will have an identification card made using the following procedures:

A. The new employee must first obtain a properly completed form from the Human Resources Office in Room 329 of Bibb Graves Hall.

B. The employee then takes the card to the ID Office located on the 2nd Floor of the Theron Montgomery Building. Any exceptions require approval from Human Resources.

C. The new employee’s ID card will be prepared and given to the employee at that time.

Employee identification cards will be given only to full-time employees and those part-time employees who are working on a continuous basis. Temporary employees will not regularly be issued employee identification cards.

RESPONSIBILITY
The Vice President for Finance and Administration is responsible for this policy.

EVALUATION
The policy will be evaluated on a biennial basis by the Chief Human Resources Officer.
