POLICY NUMBER: I:04:02  DATE: August 1990

REVISION DATES: October 1992, May 1997

SUBJECT: Scheduling of Concerts

APPROVED: William A. Meehan, President

PURPOSE
To coordinate student concerts sponsored by the Student Government Association

POLICY
Proposals for all concerts must be initiated through the Director of Student Life. The SGA/Office of Student Life is entitled to use the Coliseum for at least two events each semester.

Appeals regarding concerts will be made through the Vice President for Academic and Student Affairs to the University Council. University facilities are not available to organizations, groups, or individuals external to the University who have the intent to make a monetary profit, solicit money, or conduct for-profit business.

Requests for use of the Coliseum should follow the procedures set forth in the Jacksonville State University Manual of Policies and Procedures under Policy I:04:05 “Scheduling of University Facilities.” Student groups or organizations desiring the use of the facility must get approval from the Director of Student Activities before attempting to schedule the facility.

RESPONSIBILITY
The Associate Vice President for Enrollment Management and Student Affairs is responsible for this policy.

EVALUATION
I:04:02
This policy will be evaluated biannually.
