

HONORS PROGRAM

In keeping with the university's mission of serving the academic needs of a diverse student population, the Honors Program provides academically gifted students with the opportunity to develop fully their intellectual potential. The Honors Program provides an enriched educational experience by fostering a strong grounding in the liberal arts and sciences, small classes, interaction with other outstanding and motivated students, instruction from some of JSU's most innovative and engaging faculty, special activities, and special recognition for students successfully completing 24 hours or more of honors courses. May 1 is the priority deadline for entering freshmen applying to the Honors Program, but the Honors Program accepts applications year round. The application and guidelines are available at www.jsu.edu/cas/honors/index.html or by calling (256) 782-5696.

JSU offers honors courses which fulfill many freshman and sophomore course requirements, as well as junior and senior "Honors by Contract" opportunities in most majors. Incoming students are invited for admission to the Honors Program based on ACT or SAT test scores. Since test scores may not always provide a complete picture of ability, students may also apply to the Honors Program following the completion of their first semester at JSU if they earned a GPA of 3.50 or higher. Effective with the freshman class of Fall 2016, students must be members of the Honors Program in order to enroll in honors classes.

For further information, contact the Director of the Honors Program, Honors House, Jacksonville State University, 700 Pelham Road North, Jacksonville, AL 36265-1602; view the Honors Program website at www.jsu.edu/cas/honors; or email honors@jsu.edu.

SCHOOL OF ARTS AND HUMANITIES

Dean: TBA

MISSION

The School of Arts and Humanities offers courses in humanities and arts to support the university's general studies curriculum and educational programs, as well as traditional liberal arts, professional, and graduate programs of study leading to baccalaureate degrees and master's degrees. The school gives highest priority to the quality of teaching delivered by its diverse and highly qualified faculty, while recognizing and promoting scholarly efforts, creative endeavors, and service, internal and external to Jacksonville State University. Using available resources, the school strives continuously for academic excellence, while keeping in mind the needs of its students.

REQUIREMENTS FOR THE SCHOOL OF ARTS AND HUMANITIES

Benchmarks for Success

All new Arts and Humanities majors must meet the Benchmarks-for-Success standard. A new student entering the university in Arts and Humanities is defined as a freshman, transfer student, or a change of major from another school to Arts and Humanities.

Prior to enrollment in any upper-level (300+) coursework beyond 80 semester hours, the student must meet the following criteria:

1. A minimum overall 2.00 GPA for the first 80 semester hours must be achieved;
2. English 101 and 102, or official transfer equivalents, must be successfully completed by 80 semester hours;
3. The English Competency Exam (ECE) must be attempted by 80 semester hours; failure to complete successfully the ECE by 96 semester hours voids the student's admission into the school, and no further upper-level coursework may be taken for credit towards an Arts and Humanities program; and
4. All math requirements for the degree program must be successfully completed by 80 semester hours.

Upon completion of the benchmarks by 80 semester hours, and following department review and approval, students will be provisionally assessed to enter a degree program in the School of Arts and Humanities. Full assessment into the degree program is contingent upon completion of all requirements.

Transfer students entering with 80 or more hours who have not completed the required benchmark coursework must enroll in these courses in the first semester of study at Jacksonville State University and subsequently until all benchmark deficiencies are removed. Additionally, transfer students with 80 or more hours must register for and take the English Competency Exam in the first semester of eligibility.

The 120-hour degree requires 33 hours of history courses. Students will take one survey sequence (HY 101-102 or HY 201-202) as part of the general studies curriculum. The remaining sequence will be taken as part of the requirements for the major.

History Major (33 hours):

27 hours must be at the 300/400 level.

Other Requirements:

Twelve (12) hours of foreign language courses are required. Majors should consult with advisors in selecting these courses. Students pursuing the Bachelor of Arts in history must have a minor as well as a major. A minor usually consists of eighteen to twenty-four semester hours in a single field of study (for example, English, political science, geography).

Senior Thesis.* All history majors are required to complete a senior thesis project (HY 499). This is an independent research project that seniors will undertake with a professor of their choosing, while enrolled in a class with the professor who supervises the project. The format of the project is flexible (to be determined in consultation with the supervising professor) in order to meet a variety of interests, from public history and museum curation to a more traditional historical research project. Whatever the form, the project will require the student to show their ability to use the "historian's toolkit" to synthesize information, to express their findings in written format, and to present their project to members of the department in open forum.

History Minor:

Students wishing to minor in history must complete twenty-one (21) semester hours in history. These courses must include HY 101-102 and HY 201-202 and nine (9) hours numbered 300 or above.

Gender Studies Minor:

Students wishing to minor in gender studies must complete SY 368, Theories of Gender, and an additional 18 semester hours from the following list of gender studies courses: AN 345, AN 361, EH 420, HY 436, PSY 337, SY 310, SY 350, SY 367, SW 360, SW 365, and other relevant courses pending committee approval. Students must complete classes from at least three different programs. For gender studies minors, the respective departments have agreed to waive any normal prerequisites for the above-listed classes. For more information, please email the gender studies advisor at genderstudies@jsu.edu or call the History Department at 256-782-5632.

Students may also complete up to six hours of the required 18 hours in non-designated courses that have been approved by the gender studies committee on a by-contract basis. Students wishing to take non-designated courses for gender studies credit must submit to the gender studies committee a contract for each non-designated course signed by both the instructor of record and the student, detailing how the student will create a gendered curriculum within the established framework of the course and course assignments. Students wishing to submit a proposal for a by-contract course should contact the gender studies advisor for the required form and pertinent information.

Education Majors:

Students who plan careers in education should contact the Teacher Service Center in the School of Education, Ramona Wood Hall, Room 207, for information on certification and admission to education.

The department offers a Bachelor of Arts degree in foreign languages, with a concentration in either French or Spanish, as well as minors in the two languages, for students not seeking teaching certification (with a Bachelor of Science in Education degree). The department also offers courses of study leading to teaching certification in the chosen language (see below).

In the 120-hour Bachelor of Arts degree in foreign languages, requirements for the major include the following: a minimum of 36 hours in the same language, which includes 101, 102, 201, 202, 303, 304, 310, 320, 321, 322, and at least two 300/400 level courses. Additionally, courses 101, 102, 201, and 202 **must be taken in sequence** (unless the student is exempted by placement test or has instructor's permission).

Requirements for the minor: A minimum of 24 hours in the same language, which must include 101, 102, 201, 202, plus four additional 300/400 level courses. Again, students with prior language experience may test out of the lower-level courses, and unless exempted, must take 101, 102, 201, and 202 **in sequence**. The minor is not available to students seeking teaching certification, but students concentrating in one language may choose to minor in the other. A student may also choose a non-language minor.

Accredited by the National Association of Schools of Music

Department Head: Thomas McCutchen

Professor: Baptiste, Corbin, Freeland, Gordon, McCutchen, Wight
Associate Professor: Benson, Bodiford, Logsdon, Nevala, Woodward

Assistant Professor: Lambert, Lynge, Probst

Instructor: Brandon, Gillespie, Hosmer, Oft, Stovall, Stricklin

Mission

The mission of the department is to develop musicians who are aware of the past, engaged in the present, embracing the future, and capable of leading and making musical contributions in whatever community or walk of life they choose. We offer professional training and promote scholarship among students in the discipline of music, sharing the expertise of our faculty in the training of music educators, scholars and performers. We recognize the interdependence among performance studies, music education and the theoretical and historical aspects of musical study, and we strive to instill excellence in each of these areas. We provide leadership for the region and serve the musical needs of the University, the general college student, campus cultural goals and the larger surrounding community through ensembles, solo performances and curricular offerings.

The Department of Music offers a Bachelor of Arts degree in Music with two concentrations. Concentration One in Music Education fulfills the requirements for the professional certificate to teach music in Alabama public schools on both the elementary and secondary levels. Concentration Two in General Music offers a program designed for the study of music within a liberal arts curriculum and requires a non-music minor.

Eligibility requirements: Students seeking to pursue a degree in Music must be determined as eligible for the program. Eligibility requirements include a formal audition in the student's primary performance medium (vocal or instrumental), theory and keyboard examinations and evaluation of the student's potential for success by a faculty committee. The procedures are in addition to University admission requirements. Music auditions and examinations may be arranged through the Music Office. A program assessment review will be accomplished at the end of the sophomore year to determine eligibility to advance to upper division level music studies.

¹Individual applied music must be studied each semester for a total of six semesters. In the sixth and final semester of study, each student will present a public recital. To aid the student in preparing for this final project, the Department of Music offers a special seminar under the guidance of the applied music instructor. Normally, all six semesters should be taken in the same applied instrument (voice, piano, clarinet, etc.). In exceptional cases a change from one instrument to another may be permitted in the major area with the approval of the instructors involved and the department head, but in such cases the student will be expected to declare clearly what subject his/her major instrument is and to pass the junior seminar work in that instrument.

²Every Music Education student is encouraged to participate in as many ensembles as possible, each for one credit hour, since practical experience of this kind will prove invaluable to the student in future teaching careers. Each student is required to participate in a large ensemble representing his/her certification area (instrumental or vocal/choral). Students must participate in 6 required ensembles: four large and two small. Large Vocal Ensembles are: MU 418 and 396. Large Instrumental Ensembles are (choose from at least two of the following): MU 392, 348, 393, 450, 479 and 332 (strings only). Small Vocal Ensembles are: MU 495, 452 and 362. Small Instrumental Ensembles are: MU 407, 346, 321, 382 (pianists only), and 368. Pianists are encouraged to choose large ensembles from both vocal and instrumental categories. Deviations in the selection of required ensembles must receive the written approval of the department head.

³Every General Music student is encouraged to participate in as many ensembles as possible, each for one credit hour, since practical experience of this kind will prove invaluable to the student in advancing one's ability on the primary instrument and overall musical development. Students must participate in eight semesters of ensembles: five large and three small. Large Vocal Ensembles are: MU 418 and 396. Large Instrumental Ensembles are (choose from at least two of the following): MU 392, 348, 393, 450, 479 and 332 (strings only). Small Vocal Ensembles are: MU 495, 452 and 362. Small Instrumental Ensembles are: MU 407, 346, 321, 382 (pianists only), and 368. Pianists are encouraged to choose large ensembles from both vocal and instrumental categories. Deviations in the selection of required ensembles must receive the written approval of the department head.

⁴Students may choose from MU 301, 302, 316, 317, 318 or PHS 350 to fulfill this requirement.

⁵For Instrumental Music Education: MU 360, 380, 381, 390, 391. Choose one additional course from: MU 260, 370, or 363.

⁶A non-music minor must be included in the 25 hours listed as electives.

Specific requirements, qualifications and procedures for assessment into the Teacher Education program leading to Alabama teacher licensure may be found under the Education Program Requirements section of the School of Education in this catalog.

APPLIED MUSIC COURSE DESCRIPTIONS

Courses in applied music include individual and class instruction in voice, piano, or band and orchestral instruments. The student may elect that area of individual instruction best adapted to his/her own individual needs. Class instruction is designed to cover all phases and activities of vocal and instrumental music to ensure that the student receives a practical and broad musical experience.

Each student must take a placement examination for the first course attempted in any applied music area, and performance examinations are given at the end of each semester. **All music majors must pass a piano proficiency examination (MU 299) before graduation.** This test will be administered by the piano faculty and must be passed before entering junior level applied study.

All students majoring in music will appear in recital performance. Specific degree requirements concerning recital performance may be obtained from the academic advisor. The academic advisor reserves the right to advise individual students to suit individual needs.

PERFORMANCE AND APPLIED MUSIC (MU) COURSE DESCRIPTIONS

Applied music courses are available to all university enrolled students regardless of major or minor. Entrance to each of the courses, however, is determined by a placement test prior to the student's registration to determine ability to study at the undergraduate level and requires permission of the individual instructor. Students enrolled in applied music courses will meet public performance recital requirements and end of semester music jury performance examinations as specified by the instructor.
