

The following is the newly revised procedure for EPP (ETS Proficiency Profile)/CLA (Collegiate Learning Assessment) that applies to all students seeking baccalaureate degrees.

All graduating seniors, traditional and distance education alike are required to take either EPP or CLA prior to graduation... no exceptions or waivers.

All on campus students will take EPP through Counseling Services, unless they are randomly selected to take CLA. Then they will take CLA through Counseling Services on campus.

All online only students will have a choice: Take EPP on campus OR take it online using ProctorU or other JSU-approved proctoring service at a cost of around \$23 per student.

Beginning Fall 2014, that all graduating seniors be required to take the ETS Proficiency Profile (EPP) instead of the CBASE to meet the graduation requirement. Beginning Fall 2014, incoming freshmen will be required to complete the EPP in order to meet the QEP assessment requirements. These same students will then be required to complete the EPP the following Spring. By requiring graduating seniors to complete the same assessment, JSU will be able to conduct longitudinal studies to determine how effective the QEP components are and whether students are truly improving their critical thinking skills.
