Society of Environmental Toxicology
and Chemistry (SE-SETAC)**

Call for Abstracts

**Annual Meeting for the SE Regional
Chapter of SETAC**

February 3-5, 2005

**Dauphin Island Sea Lab,
Dauphin Island, Alabama**

**ABSTRACT DEADLINE: Friday,
January 7, 2004**

**Presentations in all areas of environmental
toxicology and chemistry are encouraged
and welcomed (students and professionals)**

STUDENTS

Every effort will be made to provide students with the opportunity to give an oral presentation. This is your chance to practice prior to giving your talk at a national meeting. Poster presenters can present their work in a slightly more informal manner that allows one-on-one interaction with those specifically interested in your topic. Student posters and oral presentations will be evaluated for **Best Student Presentation Awards**, which will include both a **certificate** of recognition and a **cash** award.

ABSTRACT INSTRUCTIONS:

Using 12 pt. Times New Roman Bold, list the author(s), affiliation(s) and presentation title. Using 11 pt. Times New Roman, provide the text of the abstract (300 word limit). This **MUST** to be in a MS Word 97 or later file.

Below this abstract, provide the following information:

1) Choice of presentation: Oral presentation (15 minutes) or Poster presentation (42" x 42")

2) Method of presentation (oral only): Specify format.
PowerPoint presentation, 35mm slides - or- overheads

3) Whether you want consideration for Best Student Awards

4) Full contact information for the corresponding author: name, affiliation, mailing address, phone, FAX and e-mail.
