In reviewing registration data, it is noted that a student with a disability is enrolled in one of your classes. The registration information is below.

DSS assists students by providing academic support services (Interpreters for the Deaf, C-Print Captionists for the Deaf & Hard of Hearing, Readers for the Blind or Visually Impaired, Enlarging printed materials, Brailling, Assistance with special testing, etc.) If you have any questions or requests at any time during the semester, please do not hesitate to contact the DSS office.
