The CMP provides a free-loan media program of over 4,000 open-captioned titles (videos, CD-ROM, and DVD). Deaf and hard of hearing persons, teachers, parents, and others may borrow materials. There are no rental, registration, or postage fees. Several hundred titles are also streamed on the CMP web site.

An additional service is a clearinghouse of information and materials on the subject of captioning. These resources are available in print or online to consumers, agencies, businesses, and schools. The clearinghouse also maintains a database of captioned media available for purchase.

Also, assistance is provided to captioning agencies upon request. An evaluation is administered to any agency that desires to perform CMP captioning work and to other agencies who want to pass the evaluation in order to appear on the U.S. Department of Education's "Approved Captioning Service Vendor" list. Agencies are provided training and captioning guidelines upon request or as required in their preparation for the evaluation.

Orders for captioned materials can be placed online at http://www.cfv.org, through the mail, or by phone/TTY. If you have questions about an order you already placed, please email your question to orders@cfv.org or call us at the numbers listed below.
