Notice to All Spring 2020 Internship Candidates

- To be eligible for SPRING 2020 Internship, passing scores for all necessary Praxis exams must be received by JSU directly from ETS no later than December 6, 2019. Meeting this deadline is essential for your Internship placement to be assigned and confirmed. IF A PASSING SCORE IS NOT RECEIVED BY DECEMBER 6, and the student will be eligible to re-take the necessary Praxis exam(s) and receive a score prior to the first day of class in the Internship term, the student may be granted the opportunity to sign an MOU indicating the student's understanding of the penalties and prohibitions resulting from failure to establish a passing score on the necessary Praxis exams. After consultation by the student, with the advisor, program chair, department head (all appropriate persons), and necessary approval, the student may execute the MOU and a tentative placement will be made.

- Be sure you are familiar with the testing window and/or continuous testing dates, along with the ETS score report dates.

- List both JSU and the Alabama Department of Education as test score recipients.

- You are strongly encouraged to take the appropriate Praxis exam(s), based on your program, as soon as possible in your program in the event you need to retake a test due to a failing score.

- Contact your advisor, instructor, or department head for details regarding Praxis test codes and requirements for your respective program.

- IF YOU NEED A PRAXIS TESTING VOUCHER, SEE YOUR DEPARTMENT SECRETARY. DO NOT REGISTER BEFORE RECEIVING YOUR JSU VOUCHER CODE.
