Department: Clinical Experiences

Lisa R. Light, Director of Clinical Experiences

Email: llight@jsu.edu

Phone: 256-782-5854

Department Summary:

We help students who are aspiring to be teachers engage in quality, comprehensive, and sequential clinical experiences in business education, early childhood education, elementary education, special education, secondary education, physical education, music, family and consumer sciences, and technology education. There are five levels of clinical experiences ranging from micro-teaching in methods classes to a full fifteen-week clinical experience during the internship semester, culminating in support services for first or second year teachers when requested by their school system. Placements and supervision for students in clinical experiences during practicum courses and internships are provided within ten Alabama counties and parts of four Georgia counties.

Department Statistics:

Average Number of Students in an academic year: Internships 300 /Practica 500

The Department of Clinical Experiences invites you to visit our website at www.jsu.edu/edprof/ce/index.html to learn more about our program.
