Dear Dr. Meehan:

The Council for Accreditation of Counseling and Related Educational Programs (CACREP) met January 7-10, 2010, for the purpose of rendering accreditation decisions. Two programs housed in the Department of Educational Resources at Jacksonville State University were reviewed under the 2001 Standards. The following decisions were made:

Community Counseling (M.S. degree)

Accredited: Eight-Year Period through March 31, 2018

School Counseling (M.S. degree)

Accredited: Eight-Year Period through March 31, 2018

The above accreditation decisions were based on the Board's extensive review of the self-study documents, the visiting team's report, and your institution's response to the visiting team's report.

Programs receiving accreditation for an eight-year period deserve to be commended for the work they completed throughout the accreditation process. This is indeed a worthy achievement. Congratulations! Please note that a certificate of accreditation will be enclosed with Dean Hammett's copy of this letter.

On behalf of the CACREP Board, I would like to extend my thanks to you and your administration for the support provided to these programs. Such support is considered vital to assuring continued quality in higher education programs. Once again, congratulations are extended to all of those involved in making this a successful accreditation review process.

Sincerely,

Carol L. Bobby
President and CEO
