from the deepest canyon to the highest mountain in Alabama.”*

26th Annual Calendar of Events

We are pleased and delighted to announce our 26th anniversary of programs! They are all designed for those who want to know more and do more. Thank you for taking a look, signing up and contacting us if you have any questions or suggestions. Please remember that programs with a fee require registration three (3) days prior to the program date.

JSU Field Schools partner with the National Park Service, US Forest Service, US Fish and Wildlife Service, Alabama Forestry Commission, Alabama State Parks, and many others to provide these unique educational opportunities.

2017 Hiker Series: Martha's Falls

New Year's Day-2017 Little River Canyon National Preserve

Start the New Year with a first day hike at Little River Canyon National Preserve. Join DeSoto State Park, the National Park Service, and JSU Field School staff on a beautiful outdoor adventure/hike from the Little River Canyon Center to Little River Falls and on to Martha's Falls. This hike is a moderately difficult 4 mile hike. Meet at the Little River Canyon Center for pre-hike orientation.

First Day Hikes are staff-led hikes, held annually on New Year's Day through-out the Country, and are designed to encourage visitors to enjoy parks year round and to promote good health and exercise by working off those calories gained during the holidays. Start the New Year off right!

Things to bring: Plenty of water and/or sports drink, snacks/lunch, hiking poles/staff (optional), sturdy shoes (open toe shoes are not recommended). Please be sure to dress appropriately according to seasonal temperatures/weather.

WEATHER: As with all outdoor events, if it's raining/stormy or very poor trail conditions, we may have to cancel. If the weather is questionable, please check with the park before leaving home. Please make every effort to arrive early or on time so that you do not hold up the group.

Date: Sunday, January 1, 2017

Where: Little River Canyon Center

Time: 1:00 pm (CST)

Fee: Free and open to the public.

For details, contact Niki Wayner at 256-845-3548

Take a Hike: Pinhoti Trail with Anniston Outdoors

The JSU Field Schools partner with Anniston Outdoors to offer diverse moderate-level hikes each second Saturday of the month. Throughout the year, we will be hiking different sections of the Pinhoti trail.

Continuing south, this hike will begin at the USFS Road 531 crossing just south of the Lower Shoal Shelter and will end at the USFS Road 500 Trailhead located by a train track adjacent to the Shoal Creek District Ranger Office near US Hwy 78 and AL Hwy 281 (the Scenic Byway). This section is 6.6 miles and crosses several springs, offers a view from Sister Ridge, and travels by areas such as Brymer Gorge and the "Birds in the Pines" campsite. Participants should pack a lunch with something to drink and dress appropriately for the forecasted weather conditions on the day of the hike. The departure time and location for this outing will be 8:00 am from the Publix parking lot located across from the Oxford Exchange adjacent to Exit 188 on I-20 and US Hwy 78. Those planning to participate in this hike, should contact Keith Hudson by phone at 256-453-9527 or by email at anniston.outdoor.assn@gmail.com by Thursday, January 12.

Educator Workshop: NASA Solar Eclipse Workshop

On Aug. 21, 2017, American sky watchers will be treated to a rare and spectacular celestial show – the first total solar eclipse visible from the continental United States in nearly four decades. In preparation for this event, Little River Canyon Center and the NASA Educator Professional Development Collaborative at Texas State University is providing a 5-hour workshop for educators. Participants will be trained in NASA resources associated with the solar eclipse. This training will prepare educators to discuss the science behind eclipses and demonstrate key principles through hands-on activities and simulations. Discussion will include classroom modifications. Register at: <https://www.etches.com/227365>

Date: Friday, February 17, 2017

Take a Hike: Birding Hike

Start your Saturday morning off with the birds (and a few fellow birders). JSU professor, Dr. Robert Carter, will be leading this birding hike at the Little River Canyon Center. This hike is for new and experienced birders. This will be a part of the Audubon's annual Great Backyard Bird Count weekend. Launched in 1998 by the Cornell Lab of Ornithology and National Audubon Society, the Great Backyard Bird Count was the first online citizen-science project to collect data on wild birds and to display results in near real-time. Now, more than 160,000 people worldwide join the four-day count each February to create an annual snapshot of the distribution and abundance of birds. Things to Bring: Plenty of water, snacks, sturdy shoes (open toe shoes are not recommended), binoculars (if you have them). Please be sure to dress appropriately according to seasonal temperatures/weather.

WEATHER: As with all outdoor events, if it's raining/stormy or very poor trail conditions, we may have to cancel. If the weather is questionable, please check with the park before leaving home. Please make every effort to arrive early or on time so that you do not hold up the group.

Longleaf Pine Needle Basketry Class

Learn the basics of pine needle basketry, an old craft with a long history.

Join artist Brittney Hughes to learn the basic steps to making a coiled basket from longleaf pine needles. Each participant will learn the basic skills of pine needle basketry and take home their very own creation.

The art of coiling baskets is universally common to indigenous peoples. Coiling is the technique of creating baskets and art from pine needles and was a part of pre-Columbian Native American crafts. Today, pine needle baskets and art are made primarily for decorative purposes.

All materials (pine needles, thread, and small center for basket) will be furnished. Class is for ages 10 and up.

Little River Canyon National Preserve Annual Bioblitz

Plan on coming out sometime from Friday, May 19th to Sunday, May 21st to help us document the flora and fauna of the park.

This service-wide initiative is a chance to inspire and engage a new generation of stewards of our fantastic natural resources, all while taking a vast snapshot of the biodiversity that is protected by our nation's parks.

You can choose an easy area or challenge yourself on a canyon trail. We are lining up specialists to help discover fish, amphibians and reptiles, birds or any creature or plant that call this place home. If you are interested in leading a group in the park to document species in your field of expertise, then please call Larry @ 256-845-9605. The more specialists we have to lead these discovery hikes, the more the public can explore, learn and become Citizen Scientists by helping to record the presence and distribution of our species!

So come out, get involved, and help us to document the richness of Little River Canyon National Preserve!

Date: Friday, May 19- Sunday, May 21
