SPORT MANAGEMENT

A graduate certificate (not a teacher certification program) in sport management is also available for non-degree students who wish to specialize in the area of sport management. This certificate prepares individuals to apply business, coaching and physical education principles to the organization, administration and management of athletic programs and teams, fitness/rehabilitation facilities and health clubs, sport recreation services, and related services. Upon satisfactorily completing the requirements of the graduate certificate (comprehensive examination not required for graduate certificate), an entry will be made on the student's transcript. A student who completes the graduate certificate in sport management may apply the 15 hours credit toward the MA with a major in liberal studies or the MPA with a concentration in sport management. All course work for the MA and MPA, including the sport management course work, must be completed within six years.
