Notes:
Admission to this program requires clear and renewable teacher certification
(Class B certification) in physical education from an accredited institution.
Completion of this program leads to eligibility for fifth-year (Alabama Class A)
teacher certification in physical education (P-12).

Candidates admitted (to enroll in courses in a Class A teaching field program)
may complete no more than five approved program courses prior to unconditional
admission to the program (this includes transfer credit). Exceptions to this rule
must be approved by the Dean of the College of Education and Professional Studies
and the Dean/Associate Dean of Graduate Studies.

The MS.Ed. with a major in physical education and a concentration in P-12
Teacher Education is a two-year online program. It may be possible to complete the
program requirements in less than two years depending on the frequency of course
offerings.
