30 - 33 Graduate Semester Hours Required for this Degree*

*Students who have not previously satisfied the special education requirement at the undergraduate or graduate level must take SPE 500.

*Students who previously satisfied the special education requirement at the undergraduate or graduate level must take a state-approved diversity course by advisement.

*Students pursuing the teacher certification concentration must enroll in this course.

Notes:

Admission to the certification concentration requires a minimum of fourth-year bachelor's level teacher certification in some area of education or a higher degree and fifth year certification. Completion of this program leads to eligibility for fifth-year (master's) teacher certification in sport management. As of July 1, 2017, and thereafter, experience verification must show 2 full years of full-time, acceptable professional educational work experience prior to unconditional admission.

Admission to the non-certification concentration does not require fourth-year bachelor's level teaching certification.

Candidates admitted (to enroll in courses in a Class A teaching field program) may complete no more than five approved program courses prior to unconditional admission to the program (this includes transfer credit). Exceptions to this rule must be approved by the Dean of the School of Education and the Director of Graduate Studies.

Students in this program are required to purchase College LiveText.
