Program Description: Protective Detail Training: This four-day program designed to provide specialized training to personnel who conduct protective operations for VIP's, high profile inmates or business leaders. Emphasis is placed on a wide spectrum of protective operations including advances, formations, motorcade operations, arrivals and departures, live fire, site surveys and many other topics. After completing the training, students shall have the ability to operate within the many positions of protective formation. The course includes a live fire and a mandatory HG qualification. Students are expected to be in good physical condition prior to attending the course. We follow U.S. State Department and Secret Service models for protection.

Instructors: Instructors assigned to work this program have all deployed to overseas locations in high threat environments. The instructors selected to work this course have worked for State Department approved contractors or the federal government. This course is be conducted by Mr. David Partner. Mr. Partner is a former Senior Instructor from the Federal Law Enforcement Training Center (FLETC) where one of his primary duties included oversight of the Protective Service Operations Training Program training thousands of personnel. Other Instructors assigned to coordinate and work with these programs have significant backgrounds in protective operations and have served on protection details for United States Government Cabinet level officials serving nationally and internationally.

Standards: Complete all training objectives and a live fire handgun course of fire.
