Selections: (Recorder Classroom: Focus on Folk Songs)

1) Blow the Man Down

Beginners play Recorder 2 part, Advanced Students play Recorder 1 part

2) Polly Wolly Doodle

Beginners play Recorder 2 part, Advanced Students play Recorder 1 part

3) Tom Dooley

3 Parts - Split the Advanced Students on Recorder 1 & 2 parts. Beginners play Part 3

I would define beginners as B-A-G players. Advanced students as Low D to High D.

I would like to do a Showcase piece again where students would have to play it off in an audition style and we pick the tops ones to play it. It would be optional and only for the super advanced students. It is called "Finale Maestoso" and is arranged by Paul Jennings. It is \$7.95. Here is the link to the piece:

Both books can also be found by searching by title on the Music K8 website, (www.musick8.com).
