

RESOLUTION 500

Whereas, the Board of Trustees on January 14, 2002 authorized the President to negotiate with the Joint Powers Authority to acquire Building 3181 at Fort McClellan; and

Whereas, a Joint Cooperative Agreement with Gadsden State Community College dated April 19, 2002, provided for each institution to contribute proportionally for the renovation of Building 3181; and

Whereas, both institutions have now moved into the facility and begun operations; and

Whereas, adequate parking at the facility was not addressed at the time the building was renovated due to budget constraints; and

Whereas, Gadsden State Community College has now obtained a federal Health Resources and Services Administration grant in the amount of \$392,826 for the construction of a 175 space parking lot on the northwest corner of 13th Avenue (Rucker Street) and 23rd Street estimated by the architect to cost 437,500;

Therefore Be It Resolved, that this Board of Trustees authorizes the demolition of Building 3160 and the construction of a parking lot on JSU McClellan property to be funded by federal grant and Gadsden State Community College funds.
