### **Troy Course Information: Summer 2013**

Troy will be offering the following course for JSU students in Summer 2013:

- **NSG 6691 Research Methodology (JSU NU 522)**
  - 3 semester hours
  - Co-requisite/prerequisite for NU 540

Registration for Troy begins online April 15th, Classes start May 28, and first tuition payment is due May 28.

- Prior to taking courses at Troy, you must submit an application for transient admission and pay the \$50 application fee. The application is available at [http://troy.troy.edu/nursing/msn\\_transient.html](http://troy.troy.edu/nursing/msn_transient.html) You should complete the application, print, and mail to the address at the bottom of the application. (Note: It is very important

that the application be sent to the designated address). First time students at Troy must register by mail or fax. Thereafter, students will be able to register electronically.

**Note: Students are approved to take Troy courses only in the semester indicated in this announcement. For example, students should plan to take Research in the summer term, and Advanced Health Assessment and Theories in the fall term, even if Troy also offers the courses in other semesters. This schedule helps to ensure enrollment is sufficient to offer the course to JSU MSN students.**
