Please read or email the following to your classes during the week of February 20

Classroom Announcement 1

You may have recently received a copy of the survey titled "The National Survey of Student Engagement 2012 (NSSE)." This is a national study of college students. JSU and 760 other colleges and universities in US and Canada are participating. It’s an excellent way to provide feedback on your college experience. If you have not completed the survey, please do so today.

I encourage you to take the 15 minutes necessary to complete the online survey and provide JSU with valuable information that can lead to important discussions and constructive changes on campus. This is an opportunity for you to help shape the future of JSU.

Once you complete the survey you will be entered into a drawing for one of three $200 gift certificates to Best Buy, one of 100 JSU book bags, or one of 100 JSU jump drives. The survey is confidential so if you need your login information or having difficulty logging in, please email help@nssesurvey.org or call 1-800-676-0390.

Please read or email the following to your classes during the week following mid-term

NSSE Classroom Announcement 2

If you have not completed The National Survey of Student Engagement (NSSE), I encourage you to take the 15 minutes necessary to complete the online survey and provide JSU with valuable information that can lead to important discussions and constructive changes on campus. This is an opportunity for you to help shape the future of JSU.

Once you complete the survey you will be entered into a drawing for one of three $200 gift certificates to Best Buy, one of 100 JSU book bags, or one of 100 JSU jump drives. The survey is confidential so if you need your login information or having difficulty logging in, please email help@nssesurvey.org or call 1-800-676-0390.
