University Resources for Self-Study

1. Institutional Research data gathered by various University offices

2. Assistance locating relevant data from sources outside the University (ACT, State agencies, ACHE, SREB, etc.)

3. Consultation with the Director of Institutional Research and Assessment and others with expertise in program review

4. A webpage with links to appropriate web-based resources, www.jsu.edu/depart/oira

5. Supplemental materials with suggested areas for evaluation

6. Access to books and articles on program review

7. Workshops/training sessions for unit heads, faculty, staff as needed

8. Subject to available funds, OIRA will provide travel support for units wishing to develop expertise in program review/assessment by sending faculty/staff to appropriate national conferences.
