

As the holidays approach, the newsletter gets longer and longer. There are many activities happening or will happen on campus. Be certain to attend some of these plays, concerts, dinners, etc. We also have a seminar in the Department this afternoon. I encourage everyone to attend. There are no classes scheduled at 3:00 PM on Friday, so please show up.

I will close by reminding all of you that you should attend graduation at least once a year. Please sign up if you have not attended for a while.

Have a great week-end.
