Parking Decal Registration for Faculty & Staff

Registration for purchasing 2012-2013 parking decals is open for all JSU faculty and staff beginning August 9, 2012. The cost for purchasing a parking decal is $25.00, unless your vehicle has a registered Jacksonville State University license plate from the Division of Motor Vehicles. Having a J-tag entitles the owner a free parking decal. Faculty and staff may purchase one additional decal during the registration process for $1.00. Requests for more than two decals must be approved by UPD. To access the parking registration system, faculty and staff should access their MyJSU account at http://my.jsu.edu/cp/home/loginf and click on the employee link for parking decals. After completing the vehicle registration online, decals may be picked up at the University Police Department in Salls Hall. Any faculty, staff, student, or non-JSU personnel having outstanding parking citations will be required to clear their account at the Bursar’s office prior to being issued a 2012-2013 decal. Purchasing parking decals for other faculty, staff, non-JSU personnel, or students is strictly prohibited. To avoid delays, decals may be picked up at UPD Monday through Friday between 8:00 A.M. to 4:30 P.M. Please bring your driver’s license and vehicle registration (tag receipt) when obtaining your decal, as well as, your confirmation page, if available. Decals must be permanently affixed to the inside of the front windshield; at the passenger side lower corner using the decal’s self adhesive. Decals must be visible at all times. UPD has updated the parking rules and regulations. These updates can be viewed online at http://www.jsu.edu/police/traffic.html. Persons parking on Campus should also ensure they are parking in the correct zone. A parking map is available online at http://www.jsu.edu/campus/parking.html.
