STEPS TO ENROLLMENT: FINANCIAL AID, HOUSING, AND GAMECOCK ORIENTATION

Financial Aid:
- JSU’s Free Application for Federal Student Aid code is 001020 and our preferred deadline is March 15. However, it isn’t too late to apply for financial assistance for upcoming terms.
- Students can find helpful information in the FAQ & Hints link on our website.
- Students will be contacted through their GEM account (JSU email), and an active message will be posted in the Financial Aid Status section of MyJSU. Students should check both systems regularly for up-to-date information.

Housing:
- Priority Housing deadline is May 1.
- All first-year students are required to live on campus. Your student should refer to the First-Year Student Residency Requirement Exemption form for exemptions.
- Move-in tips as well as checklists will ensure a smooth transition for your students as they begin a new chapter at JSU.

Gamecock Orientation:
- First-year students between the ages of 18-24 are required to attend Gamecock Orientation (GOI) before the beginning of their first semester at JSU.
- Students receive information in the mail regarding how to register for Gamecock Orientation. Registration for GOI is open now.
- Gamecock Orientation will be held throughout June and July.
