GENERAL ADMISSION INFORMATION

FEE WAIVER INFORMATION:
- JSU now accepts admission application fee waivers from ACT or CollegeBoard (SAT).
- At this time, waivers must accompany the Undergraduate Printable Application.
- Applicants must meet the admission requirements for the term for which they are applying. Applicants who submit an application and accompanying fee waiver but do NOT meet requirements at the time will not be processed until all admission requirements are met.
- Applications received without a fee or fee waiver will be returned to the applicant. All other requests, including NACAC fee waivers or fee waiver request letters written from counselors or others on students’ behalf will not be accepted.
- Acceptable ACT fee waivers should include the unique eleven digit code in the top-right corner while the acceptable SAT fee waiver will include a unique eleven digit code located at the bottom of the form. If the student no longer has access to the correct form, JSU will accept documentation from the student account showing the student did not pay for the test.

NEW ADMISSION REQUIREMENTS:
- Effective Fall 2015 applicants, JSU will increase the standardized test score needed for freshman conditional admission requirements.
- In addition, all applicants must meet a 2.0 grade point average.

HIGH SCHOOL TRANSCRIPT INFORMATION:
- The Office of Admissions will no longer accept faxed transcripts.
- JSU now requires a partial high school transcript before an admission decision can be made.
- Transcripts can be sent electronically to transcripts@jsu.edu or mailed directly to our office.

RESIDUAL ACT:
- Residual ACT scores will only be used by JSU for admission or JSU scholarship purposes.
- Upcoming test dates will be February 13, March 13, and April 17.
