

**Jacksonville State University
Institutional Review Board
2020-2021 Annual Report**

1. General Information

a. Name: The name of this committee is the Jacksonville State University Institutional Review Board (IRB).

b. Purpose and Scope: The IRB is a committee that reviews all JSU research involving human participants and is responsible to the President. The purpose of the IRB is to assure that research is conducted in an ethical manner, specifically in accordance with the Department of Health and Human Services regulations 45 (46 Protection of Human Subjects and 45 CFR and 46 Subpart A.) This includes ensuring that risks to participants are minimized, the selection of participants is equitable, and participants are informed fully of what their participation will entail.

The policy on the use of human subjects in research applies to any activity deemed to be research at JSU. The applicability of this policy is to all entities of the university: faculty, administration, staff, students, and contracted consultants. This policy applies to any research activity using human subjects that is directly or indirectly supported by the university.

The full text of JSU's "Policy on Use of Human Subjects in Research," along with an online application is available on the Academic Affairs website at:

<http://www.jsu.edu/academicaffairs/irb.html> and updated annually.

c. Membership: For 2020-2021, the committee consisted of the following membership:

Dr. Erin Rider: Chair

Dr. Douglas Stephens

Dr. Justin Bagley

Dr. Maryanne Templeton (External member)

Kimberly Westbrook

Dr. Michael Wetherholt, Senior Human Protections Administrator

Lynn Garner, Associate Human Protections Administrator

Jennifer Mead, Assistant Human Protections Administrator

d. Records: Committee records are maintained by the Assistant Human Protections Administrator, Institutional Review Board in the Office of Sponsored Programs, 249 Angle Hall.

2. Activities and Accomplishments

The IRB reviewed 63 research protocols during the 2021-2021 academic year. The applications were approved as follows

Exempt—58

Expedited—3

Full Review—2

Renewed Exempt Research—0

Name	Dept.	Title of Project	N	R	Date Rec'd	Action Request	Approved	Protocol Number
