

JACKSONVILLE STATE UNIVERSITY

WOMEN'S HISTORY MONTH

**Drawing
Contest!!!**

During March 2022, Jacksonville State University will be conducting a drawing contest among Elementary school students to celebrate Women's History Month. Winning entries will receive a monetary prize and possible inclusion in a local publication.

Elementary Students (current 1st-4th graders, for the purpose of this competition) should choose a noteworthy, innovative woman who you see as a hero and draw a picture of that woman on a letter size piece of paper.

All drawings should be accompanied by a sentence naming and describing the woman's accomplishments. (For the younger students, parents or teachers may help with the sentence.) Drawings should be colorful and can include pictorial references to the woman's importance/accomplishments. For example, a drawing of Mae Jemison might include a picture of a rocket.

Every picture should be accompanied by the attached information and consent form. Pictures can be submitted electronically to WHM.EssayContest@jsu.edu. If you send your submission and information/consent form by email, it is due by **March 1, 2022, at 5 pm**. If you prefer to mail your submission and information/consent form, you may do so to:

ATTN: Karlie Johnson
Houston Cole Library
700 Pelham Road North
Jacksonville, AL 36265

All mailed entries must be postmarked by **February 25, 2022**, for consideration in the contest. This contest is open to ALL students who reside in Calhoun County including homeschooled students and students of any gender. Entries will be judged by a panel of JSU faculty and personnel of the Women's History Month Committee.
