

MEET OUR TEACHER

Mrs. Lori

Fun Fact:

I have a small ranch with 5 goats, 14 chickens, 2 cats, and 3 dogs.

Hello! My name is Lori McFall, and I live in Jacksonville, Alabama with my husband of 25 years. We are newly empty nesters with two children: Braxton, an Air Force pilot, and Callie, a fashion designer.

I enjoy going on walks with my husband, playing with our animals, exercising, relaxing outside, and traveling to visit our children.

Go Gamecocks!

I have worked in Athletics at Jax State for 15 years and I am so excited to have the opportunity to work with children again.
