

MEET THE TEACHER

MRS. SMITH

ABOUT ME:

Hi! I'm Autumn Smith, and I am the auxiliary pre-k 2 teacher. I am happily married to my college sweetheart, Austin. Together we welcomed a beautiful little girl in 2023! I have been in childcare for 10 years and worked some with special needs children.

HOBBIES:

When I'm not in the classroom, I love spending quality time with my family, whether that's enjoying a cozy evening at home or going on fun weekend adventures. I also enjoy shopping — from finding the perfect home décor to discovering little treasures in local stores.
