PROFESSIONAL LICENSURE DISCLOSURE STATEMENT:

Jacksonville State University is currently seeking accreditation for their new Athletic Training program and is not accredited by the Commission on Accreditation of Athletic Training Education (CAATE). The institution will be submitting a self-study to begin the accreditation process on July 1, 2021. Submission of the self-study and completion of a site visit does not guarantee that the program will become accredited. Students that graduate from the program prior to accreditation WILL NOT be eligible to sit for the credentialing examination for athletic trainers and will not be eligible for licensure in most states. Graduation from a CAATE accredited program provides eligibility for the Board of Certification (BOC, Inc.) exam. It also meets the educational degree completion requirement for licensure or other credentialing in 49 states. Students should note that requirements for professional licensure can vary drastically by state. Because these requirements can change frequently and often without notice, it is strongly encouraged and is the responsibility of the student to ensure the degree they earn will meet requirements for licensure in the state in which they seek to be licensed.
