

Undergraduate Major in Elementary Education K-6 and Early Childhood Education P-3

The Bachelor of Science in Education (BSE) in Elementary Education K-6 and Early Childhood Education P-3 is one major with a dual certification component. Completion of this program of study coupled with the state-required testing and minimum GPA of 2.50 in three areas (overall, teaching field, and professional studies) will result in eligibility for dual certification in two teaching fields: Elementary Education K-6 and Early Childhood Education P-3. The major cannot be separated by teaching field and candidates must pursue the course of study for the dual certification. The Alabama State Board of Education requires two separate checklists, however, it is important to note that the two checklists comprise one major.

Program: Early Childhood Education P-3
Total Hours: 126

CLASS B EDUCATION PROGRAM CHECKLIST

Institution: Jacksonville State University

Date Approved: 6-10-2021
Date Expires: 6-30-2024
Revisions: 3-22-2022
