Access to a growing network of EM experts, researchers, practitioners, and graduates of JSU

Scholarships

Scholarship opportunities for membership fees or to attend the annual IAEM conference

Collaboration

Opportunities for community service, government working groups, research, volunteering, etc.

who we are.

JSU-IAEM is an award-winning student chapter committed to providing educational, networking, professional, and certification opportunities (Certified Emergency Manager, CEM & Associate Emergency Manager, AEM) to our members. These opportunities help to make our students more competitive in the job market and ultimately, lead to higher wages. Collectively, we strive to expand our horizons through bridging the gap between academia and practice; with the overarching goal of advancing the EM profession.
