Longleaf Pine Needle Basketry Class

Learn the basics of pine needle basketry, an old craft with a long history.

Join artist Brittney Hughes to learn the basic steps to making a coiled basket from longleaf pine needles. Each participant will learn the basic skills of pine needle basketry and take home their very own creation.

The art of coiling baskets is universally common to indigenous peoples. Coiling is the technique of creating baskets and art from pine needles and was a part of pre-Columbian Native American crafts. Today, pine needle baskets and art are made primarily for decorative purposes.

All materials (pine needles, thread, and small center for basket) will be furnished. Class is for ages 10 and up.

When: Saturday, February 8, 2020

Where: JSU's Little River Canyon Center in Fort Payne, Alabama

Time: 10 a.m.-3:00 p.m. (CST)

Fee: \$25 supply fee- Supply fee due day of class

Pre-registration required; class number is limited to 12. To register and for details, 256-997-5025 or email Brittney.Hughes@dcnr.alabama.gov

Dutch Oven Campfire Cooking Demo

Dutch ovens have been in use for hundreds of years; especially when our country was expanding and families were on the move. Unable to bring their large cook stoves with them, women learned how to cook entire meals from stews & soups to bread & desserts, in their Dutch ovens. Learn the basics about Dutch ovens, how to clean & care for your cookware, AND cook (& eat!) dinner & dessert at the same time!

Starts around 10:00 am, located at JSU's Little River Canyon Center. This is a demonstration, so the best part is when food is just coming off the fire- drop in whenever you like & check out the food!

Date: Sunday, February 9, 2020
Time: 10 am-Until the food runs out
Where: JSU's Little River Canyon Center
Call 256-845-3548 for more details

The Art of Woodburning: Welcome Sign

Pyrography or woodburning is the art of decorating wood or other materials, the term meaning “writing with fire” dating back to the 17th century. Participants in this class will learn the basic techniques of decorative wood burning and painting designs from artist, April Blanks, and will work on a 6 x 9 inch welcome sign piece. This class is for ages 14 to adult.

Spring Break Camp for Kids

Has your child ever wanted to learn more about being outdoors? This class presented by Robert Wilson of Seven Pines Survival is perfect for them! The Spring Break: Survival Adventure for children ages 9- 13 years of age is a five day class focused on keeping you safe in the woods. Topics include:

- 1) Introduction to survival/Building your own survival kit
- 2) Core Temper Control
- 3) Shelters-from a survival kit and primitive
- 4) Fire Safety and fire building
- 5) Water- how to collect safely and how to purify it
- 6) Navigation-how to use a compass and read basic maps
- 7) Methods to prevent yourself from getting lost and how to evaluate your area
- 8) Food-what you can and cannot eat, how to find food and what to do with it

Space is limited to 10 kids, so sign up now by emailing jwayner@jsu.edu or by calling Niki Wayner at 256-845-3548.

We don't provide meals for this adventure, so we would ask for you to pack 2 snacks and a lunch for your kids' days out. Don't forget a water bottle filled with water and also bring sun and bug screen. Proper clothes: we would suggest pants and hiking boots, hat if they wish, and some gloves if they want. We will be tramping around in long grass, briers, and mud (aka having a blast!)

This camp will also focus on nature and art, just like all of JSU Field School camps!

Longleaf Pine Needle Basketry Class

Learn the basics of pine needle basketry, an old craft with a long history.

Join artist Brittney Hughes to learn the basic steps to making a coiled basket from longleaf pine needles. Each participant will learn the basic skills of pine needle basketry and take home their very own creation.

The art of coiling baskets is universally common to indigenous peoples. Coiling is the technique of creating baskets and art from pine needles and was a part of pre-Columbian Native American crafts. Today, pine needle baskets and art are made primarily for decorative purposes.

All materials (pine needles, thread, and small center for basket) will be furnished. Class is for ages 10 and up.
