

Student Name: _____ JSU ID: _____

By submitting this form, you are applying for the Federal Teacher Education Assistance for College and Higher Education (TEACH) Grant. In exchange for receiving a TEACH Grant, you must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students (see below for more information on high-need fields and schools serving low-income students). Eligible students may receive up to \$4,000 per year in TEACH Grant funds and will be awarded based on full-time status. However, disbursement amounts are prorated based on hours of attendance. Failure to complete the four-year service agreement will result in the grant being converted to a Federal Direct Unsubsidized Stafford/Ford Loan that you must repay in full, with interest accruing from the time of disbursement.

In exchange for receiving a TEACH Grant, you must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students (see below for more information on high-need fields and schools serving low-income students). As a recipient of a TEACH Grant, you must teach for at least four academic years within eight calendar years of completing the program of study for which you received a TEACH Grant.

IMPORTANT: If you fail to complete this service obligation, all amounts of TEACH Grants that you received will be converted to a Federal Direct Unsubsidized Stafford Loan. You must then repay this loan to the U.S. Department of Education. You will be charged interest from the date the grant(s) was disbursed. TEACH Grant recipients will be given a 6-month grace period prior to entering repayment if a TEACH Grant is converted to a Direct Unsubsidized Loan.
