General University Information

History

From modest beginnings, Jacksonville State University has evolved into the educational center of northeast Alabama. The Alabama Legislature, in the 1882-83 session, created a state normal school when Governor Edward O'Neal signed into law a bill creating the school on February 22, 1883. Jacksonville State Normal School acquired the facilities and equipment of Calhoun College, consisting of twelve acres of land and a two-story brick building. The Board of Directors elected James C. Ryals, Jr. as the first president. The school opened with three instructors: W. J. Borden, mathematics; Eliza A. Bowen, English; and Ida J. Woodward, primary department.

The Normal School remained in operation until 1930 when it became Jacksonville State Teachers College, reflecting an increasingly higher education role for the Institution. Five years later, the College earned regional accreditation from the Southern Association of Colleges and Schools. In 1957, the name again changed to Jacksonville State College when the first graduate program - the master's degree in elementary education - was created.

On August 2, 1966, the State Board of Education was authorized to elevate the College to university status. On August 17, 1967, the Legislature established an independent Board of Trustees for the University and divested jurisdiction from the State Board of Education.

Presidents

Jacksonville State University has been served by twelve presidents: James G. Ryals, Jr. (1883-85); J. Harris Chappel (1885-86); Carlton Bartlett Gibson (1886-92); J. B. Jarrett (1892-93); Jacob Forney, IV (1893-99); Clarence William Daugette (1899-1942); Houston Cole (1942-71); Ernest Stone (1971-81); Theron E. Montgomery (1981-86); Harold J. McGee (1986-99); William A. Meehan (1999-2015); and John M. Beehler (2015-present).

Economic Impact on East Central Alabama

The direct local expenditures of the University, faculty, staff, legacy students and retirees is approximately \$361.2 million. This amount is composed of \$27.2 million spent by faculty and staff, \$83.4 million spent by students, \$185.6 million by legacy students, \$8.1 million spent by retirees and \$57.6 million (excluding wages and salaries) spent by the University. The direct impact of \$361.2 million with the multiplier or re-spending resulted in a total of \$614 million total economic impact.

Accreditation

Jacksonville State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award bachelor's, master's, educational specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Jacksonville State University.
