## University Goals

- Educate students to be productive, responsible citizens and effective leaders in a rapidly changing global society.
- Promote exemplary teaching and scholarship.
- Enhance the roles of research and service.
- Develop and maintain a student body of sufficient size and with appropriate characteristics to constitute a robust learning community.
- Increase the use of technology as a comprehensive teaching and learning tool.
- Increase the efficiency and effectiveness of administrative processes and services.
- Enhance and maintain sound financial planning that assures adequate fiscal resources for the University.

## Our Mission

Jacksonville State University is a public, comprehensive teaching institution that provides educational, cultural and social experiences for a diverse undergraduate and graduate student population. As a student-centered university, Jacksonville State University strives to balance academic challenges with a range of support services for students' academic, career, and personal goals. As an academic institution, Jacksonville State University seeks to produce broadly educated graduates with skills for employment, citizenship, and lifelong learning.

As a comprehensive university, Jacksonville State University supports scholarly and service activities consistent with its academic and professional strengths.

--Approved October 15, 2001

## Our Vision

Jacksonville State University will be the regional comprehensive institution of choice for students who want a strong, high quality education. Students will be challenged academically by dedicated and accessible faculty and have access to the latest technology to ensure success in an expanding global community. Curricula offerings will utilize developing methods of instruction to eliminate barriers of time and distance and allow the JSU experience to transcend regional boundaries. Highly responsive services that demonstrate the institution's commitment to continuous improvement will ensure JSU's reputation as the friendliest campus in the South.
