Our Mission

Jacksonville State University is a public, comprehensive teaching institution that provides educational, cultural, and social experiences for a diverse undergraduate and graduate student population. As a student-centered university, Jacksonville State University strives to balance academic challenges with a range of support services for students' academic, career and personal goals. As an academic institution, Jacksonville State University seeks to produce broadly educated graduates with skills for employment, citizenship, and life-long learning. As a comprehensive university, Jacksonville State University supports scholarly and service activities consistent with its academic and professional strengths.

Our Vision

Jacksonville State University will be the regional comprehensive institution of choice for students who want a strong, high quality education. Students will be challenged academically by dedicated and accessible faculty and have access to the latest technology to develop skills for success in an expanding global community. Curricula offerings will utilize developing methods of instruction to eliminate barriers of time and distance and allow the JSU experience to transcend regional boundaries. Highly responsive services that demonstrate the institution's commitment to continuous improvement will ensure JSU's reputation as the friendliest campus in the South.

Our Goals

1. Educate students to be productive, responsible citizens and effective leaders.
2. Advance student learning through academic excellence.
3. Increase student and faculty participation in research and service activities.
4. Create a diverse learning community that facilitates academic and professional excellence.
5. Effectively use technology to support learning, research, information management and evidence based decision-making.
6. Continuously improve administrative processes and services.
7. Enhance revenue growth and financial planning to ensure adequate fiscal resources for the university.

Our Core Values

1. Quality teaching to prepare students for employment, citizenship and life-long learning.
2. Providing an affordable quality education.
3. Excellence in all aspects of university life.
4. The social, intellectual, cultural and physical development of students, faculty and staff.
5. The support of intellectual and academic freedom, dialogue and the free exchange of ideas.
6. Student accessibility of faculty and staff.
7. Maintaining diversity in faculty, staff and student body.
8. Collegial decision-making.
9. Providing access to state-of-the-art technology.
10. Providing a continuous improvement environment.
11. Maintaining a beautiful campus that preserves the historical architecture of the University.
12. Being the friendliest campus in the South.
