## SFST Refresher Training

The Alabama Impaired Driving Enforcement Program will be conducting Standardized Field Sobriety Testing (SFST) Refresher Training

**TRAINING DATES:**

**TRAINING TIMES:**

**TRAINING SITE:**

This course will refresh your skills in evaluating impaired driving suspects, from the initial observation of the vehicle to the arrest and processing of the suspect.

The National Highway Traffic Safety Administration (NHTSA) recommends that officers responsible for conducting DUI investigations attend refresher training to maintain both their skills in detecting impaired drivers and proficiency in administration of the SFSTs. This course provides the latest revisions to the program, along with relevant legal changes for DUI prosecution.

**Topics Include:**

- Recognizing and interpreting evidence of DUI
- Legal aspects of DUI enforcement
- Administering and interpreting the SFSTs (to include HGN)
- Proper documentation techniques
- Describing DUI evidence clearly and convincingly
- SFST proficiency

**Course Length:**

4 hours

**Prerequisite(s):**

To attend this course, you must have successfully completed the NHTSA/IACP DWI Detection and Standardized Field Sobriety Testing (SFST) course.
