Prerequisite: Student MUST be a graduate of a Basic SWAT course as well as a "follow on" tactical training program. Students should be well versed in a variety of skills prior to attending this course that includes planning and building clearing.

Program Description: The focus of this training is Hostage Rescue with emphasis on a wide range of clearing methods including explosive breaching. Students will have to conduct critical thinking, problem solving and decision making. The program consists of live weapons training, force on force training and several qualification courses.

NOTE TO ALL STUDENTS: Qualifications are difficult. Students will be required to engage targets from a variety of platforms using both handgun and shoulder fired weapons. Training includes multi-level entry, multiple entry points, use of visual aids during clearing operations. All students must receive a "passing" status to graduate. These scenarios use non-lethal training ammunition (force on force). This course requires high levels of fitness and the class learning objective will fatigue the student. The student must be able to walk, run short distances, kneel, squat, bend, assume prone positions and recover to any position unassisted. Students should not attend that have bad backs, heart conditions or any other physical limitations.

Instructors: Instructors assigned to coordinate and work with these programs have a significant background in law enforcement/military operations.

Standards: Complete all training objectives, which include mandatory rifle qualification. As well as multiple live fire exercises, land navigation courses, graded missions, function as a member of a team and attend all training sessions.

Day 1 Meeting Location: Northeast Alabama Law Enforcement Academy, 100 Gamecock Drive, Anniston, AL 36205 (Exact Classroom # is to be determined). Signs will be posted on the morning of day 1 which classroom will be used.

Lodging: Tuition does not include lodging. Students must make their own arrangements.

Credentialing: This course is for certified, active and credentialed law enforcement officers only.

Range Location: Identified on the first day of class. We train in all weather conditions except for lightning or other extremely hazardous conditions.

Lodging: AGAIN: Tuition does not include lodging. Students must make their own arrangements.

Firearms: The student should be able to load, unload, manipulate, handle and reload their firearm in a SAFE and CONTROLLED manner. The student should be familiar with their weapon systems and equipment and possess the basic knowledge to be able to disassemble their firearm for cleaning, maintenance, and problem solving. The student will learn the four weapon safety rules and abide by the rules at all times. We cannot afford an unsafe student in any class. Safety violations are dealt with swiftly.

Each student needs to bring:

- Wrap around eye protection/ear protection (bring lots of foam hearing protection)
- Body armor/tactical vest/gas mask
- Flashlight (weapon mounted and/or handheld) with lots of spare batteries
- Serviceable duty pistol and rifle with 3 magazines
- Ammunition for duty pistol: 100 Rounds
- Ammunition for duty rifle or sub-gun: 200 Rounds
- Long sleeve t-shirt or light weight jacket
- 100 Simunition© FX Marking Cartridges ® for pistol; Force on Force Round or other non-lethal training ammunition that fits Glock Simunition© FX Marking weapons
- 50 Force on Force 5.56 rounds

NOTE: This course uses non-lethal training ammunition during force-on-force training. Students must bring items that cover all exposed skin during training. Bring something to cover your neck, arms, hands and pad the groin area.
