

Basic Tactical Operator Course (BTOC) Level 1 (Basic SWAT)

Hosted at the Northeast Alabama Law Enforcement Academy, in Anniston, AL on the site of the old Fort McCellan.

Costs: \$395.00

Program Description: This approved Basic Tactical Operators Course (BTOC) will certify each student. Anyone certified LEO may attend this training, assignment to a team is not necessary. The training days are long. This program is designed to address and reinforce basic tactical concepts, movement, entry and clearing. This course uses repetitive force on force scenarios. The course requires moderate to high levels of physical fitness. The learning objectives will fatigue the student. The student must be able to walk, run short distances, kneel, squat, bend, assume prone positions and recover to any position unassisted. Students should not attend that have bad/injured backs, heart conditions or any other significant physical limitations. All lesson plans, instructor guides, risk assessments, evaluation criteria and learning outcomes are available upon request for viewing. This course is conducted at a State of Alabama approved law enforcement academy as originally intended providing a series of checks and balances that are critical for course accreditation and validation.

Instructors: Our programs feature instructors from a variety of agencies, fostering a wide range of knowledge and adult learning concepts. This ensures a well-rounded perspective rather than a 'one-size-fits-all' methodology. We do not haze students. The instructors selected to lead and coordinate these programs bring extensive expertise in law enforcement, tactics, and weapons training."

Standards: Complete all training objectives. Enhanced APOSTC Pistol Qualification (advanced grading scores); Pass performance on demand drills; Pass a 4-minute live fire performance examination, pass an exposure to OC (gas) environment without a gas mask, function as a member of a team and attend all training sessions. We train in all weather conditions except for lightning or other extremely hazardous conditions.
