

APOSTC Firearms Instructor Development Course

FIDC 2 - Coaching Red Dot Sights on Pistols

This course is designed to improve a firearms instructor's ability to coach new and veteran shooters in the use and implementation of a Red Dot Sight on a pistol.

Course topics include:

- Acquiring the dot through presentation
- Reacquiring the dot from recoil and reloads
- Slide manipulations with a pistol RDS
- Transitioning from iron sights to an RDS
- Off-hand shooting an RDS
- Awkward shooting positions with an RDS
- Target transitions with an RDS
- Equipment & Feature considerations
- RDS failure and other Duty-use considerations
- Shooting on the move with an RDS

Note: See next page for course requirements.

When: June 5 & 6, 2024

Time: 8AM - 5PM

Cost: Free/Sponsored by
Porch Creek Indians

Where: Wiregrass Public Safety Center
2120 Ennis Road
