Director, Research Center for Veteran Support Services
Jacksonville State University, Jacksonville, AL**

- **Assistant Professor-** Courses Taught: EM 515: Legal Aspects of Emergency Management; EM 511: Disasters and the Media; EM 341: Legal Foundations of Emergency Management and Homeland Security; PST 312: Legal Issues in Public Safety; PSC 482: Grant Writing; SW501: Grant Writing, Fundraising, and Financial Management; and GY 220: Human Geography.
- **Coordinator of Collaborative Affairs** – The SHSSS is a hub of innovation and technical collaborative programs that service the local, regional, and national issues. Faculty and staff expertise include research and services that reshape professional development for law enforcement, social workers, behavior analysts, and other human services professionals. These services are offered for community engagement as a regional, public institution that is socially responsible and equitable for all practitioners. Responsibilities include:
 - Working to create change, spread knowledge and improve opportunities for the School;
 - Co-manage the CBPLE appropriation budgets and all external budgets that may arise within the SHSSS that require special skills (grants, gifts, contracts);
 - Assist academic programs with accreditation data collection and reporting as needed;
 - Market academic programs;
 - Assist in developing MOU's, research external funding opportunities for SHSSS;
 - Work with Alabama Department of Economic and Community Affairs (ADECA) to administer current grants for CFAF and help secure future funding for both CFAF, CBPLE, and any other current or future SHSSS Centers that serve JSU and the community at large;
 - Lead the development /submission process for grants and external contracts;
 - Assist in marketing and public relations for the SHSSS; and other duties as assigned.
- **Acting Director, MPA Program-** Facilitate the smooth day-to-day functioning and overall academic quality of the graduate program. Function as the primary point of contact for all academic matters concerning Master's students in the program; facilitate conversation between the academic department and Office of Graduate Studies; and advise all incoming accepted MPA students.

April 2010 – December 2019 **Coordinator of Proposal Development, Office of Sponsored Programs
Director, Research Center for Veteran Support Services
Jacksonville State University, Jacksonville, AL**

- Serve as authorized administrator of proposal development and submission for grants and contracts.
- Serve as liaison for OSP with Deans of six schools and executive university administrators.
- Create and foster an environment of support for the University research and service community.
- Develop systems and organizational structure for grant administration and support.
- Participate in planning discussions as needed for business processes and organizational readiness for new administrative initiatives which will impact grant administration, compliance and support services.
- Direct the on-going process of proposal development, including identification of viable opportunities, coordination with faculty, timeline management and submission based on funder instructions and evaluation criteria for all six schools.
- Participate with administration in the development of policies to promote grants and contracts supporting the University's mission, vision and goals.
- Compile statistical reports and other data for reports to the University administration, including monthly and annual reports, and other reports as requested.
- Supervise support staff to ensure that all work is completed accurately and successfully.
- Develop, review and implement professional development for faculty/staff to include a semester-long grant writing course.
- Sets goals, develops strategic plans and implements programs to increase external and contract support for research centers and faculty.
- Serve as University Institutional Research Review (IRB) Review Committee Chair and work with IRB board to ensure institutional compliance.
- Prepare and/or supervise the preparation of reports and studies regarding opportunities for external funding of research, review criteria, and funding targets of proposal activity.
- Oversight for dissemination of electronic information about funding opportunities to faculty and staff on a regular basis. Informs specific faculty and staff about opportunities in their areas of interest/expertise/research.
- Monitor policy changes implemented by external sponsors.
- Submit monthly, quarterly, and annual updates to the Provost and President regarding external funding/sponsored programs support.
- Review individual grants proposals with faculty and staff to ensure compliance with funding agency policies.
- Supervise the direct maintenance of essential records and files related to grants and contracts.
- Oversight for review of federal, state, local and nonprofit funding opportunities and tracks viable proposal opportunities.
- Liaison for federal, state, local and nonprofit funders.
- Coordinate with University personnel, including faculty, department heads, deans, vice presidents and others in all six schools, to respond to funding opportunities.
- Provide faculty grant/contract facilitation and grant/contract submission to include meetings with involved parties to determine viability or proposal success.
- Provide oversight for writing sections for proposals that describe the University's capabilities, management processes and assessment plans.
- Oversight for development of handbooks and guides to assist faculty and staff in the preparation of grants and contracts.
- Supervision of maintenance of departmental web site on proposal development.
- Participate in professional conferences and/or meetings.
- Support strategic planning/development for ten research/service centers.
- writes template proposal sections
- outlines proposal requirements, pulls proposal pieces together into one unified document
- oversees timelines for proposal development
- Lead, develop and promote the short- and long-term research agendas and associated activities within the research centers and throughout JSU.
- Direct the Veteran Research Center's funding strategy, professional development and multi-disciplinary collaborative efforts.
- Performs other duties as assigned.
