Increase Enrollment, Retention and Student Success with Web-Based Class Capture

Learn how St. Mary's University in Minnesota uses Tegrity web-based classroom technology to boost enrollment, increase student performance levels, and reduce student attrition rates.

Saint Mary's is a private higher education institution. With a total enrollment of 5,400 students, approximately 1,250 are traditional undergraduates at the Winona, Minnesota campus, while the remaining are adult learners in the School of Graduate and Professional Programs.

Presenters include:

Dr. Jeffery Highland, President, St. Mary's University

Dr. Joe Shields, former Academic Dean of Undergraduate College and Professor of Math and Statistics, St. Mary's University

Dr. Chad Kjorlien, Director of Institutional Technology, St. Mary's University

Who Should Attend?

**Faculty, Department Heads,
Deans and Administrators**

**January 25, 2007
