Explanation of Proctoring Options

Feature	Feature Description	Honorlock Recommendation
Record Webcam ON 🧹	Student's webcam will be recorded during the exam session.	Recommended
Webcam Failsafe ON 🗸	If this option is enabled and the student webcam feed fails, we will not interrupt their exam session and they will essentially be able to continue unproctored.	Not Recommended
Record Screen ON 🧹	Student's entire screen will be recorded throughout the exam session.	Recommended
Record Audio	Student's audio environment will be recorded during the exam session.	Recommended
Record Web Traffic ON	All internet activity will be monitored during the exam session.	Recommended
Student Photo ON 🧹	During the verification process, a photo will be taken of the student's face to verify the test-taker's identity.	Recommended
Student ID ON	During the verification process, a photo will be taken of the student's school ID (or other government issued ID) to verify the test-taker's name and identity.	Recommended
Room Scan	During the verification process, students will rotate their camera 360 degrees, scanning their room and desk area to ensure no unauthorized people or materials are in the testing environment.	Recommended
Network Speed Test ON 🥏	Before the verification process, have the student run a network speed test to ensure they meet the network requirements to take an Honorlock enabled exam.	Recommended
Manual Review ON 🔽	Our human review proctoring staff will manually review all of the student videos and flag any suspicious behaviors and deviations from test guidelines.	Note: This is an additional service. Check with your institution for availability.

Enabling Honorlock in an Exam - Faculty Guide

On-screen Calculator	ON 🔽	On-screen basic calculator.	Recommended When Needed
Disable Copy/Paste	ON 🗸	Students will not be able to copy, paste, or right click in Canvas during the exam. This helps to prevent the unauthorized distribution of test content.	Recommended
Disable Printing	ON 🗸	Students will be prevented from printing the test pages during the exam session. This helps to prevent the unauthorized distribution of test content.	Recommended
Single Display	ON 🗸	Students will have to disconnect any additional displays (such as dual monitors) to ensure only one screen is in use.	Recommended
Browser Guard	ON 🔽	Locks down the student's browser to ensure they cannot open new tabs, windows, or applications during the exam.	Recommended for closed book exams that don't require additional applications
Whitelist URLs	ON 🗸	Allows faculty to give students permission to visit specific websites while restricting them from visiting any other website during the exam session.	Recommended
