Costs: \$385.00 **Start Time:** 0745 Hours

ALL CHECKS PAYABLE TO: Northeast Alabama Law Enforcement Academy

Program Description: This approved seventy-two-hour Basic SWAT Course will certify each student. The training days are long, extending 14+ hours each day. This program is designed to address and reinforce basic tactical concepts, movement, entry and clearing using repetitive scenario-based force on force scenarios. Training includes, use force case law, medical training, rapid decision-making during scenarios and many other concepts. Course includes a Tac Med Solutions Operator IFAK (\$80.00 each) for each student (coyote tan). We do not haze students. All students are treated as professionals. This course requires moderate to high levels of physical fitness and the class learning objectives will fatigue the student. The student must be able to walk, run short distances, kneel, squat, bend, assume prone positions and recover to any position unassisted. Students should not attend that have bad backs, heart conditions or any other physical limitations.

How to register:

Option 1: Registration: All students must register through the Northeast Alabama Law Enforcement Academy web site. Click on this link: <http://lea.jsu.edu/register.html>.

Option 2: If the link is broken; find your way to the Northeast Alabama Police Academy web site (www.lea.jsu.edu). Once on the web site and then click on advanced training on the left side of the page. Scroll down to the class you wish to attend and click on the name of the class (Basic SWAT). This will also send you to the "Registration Page" - fill out the information accordingly. Once you hit the submit button, you should receive a confirmation email registering you for the class. For questions and comments, please feel free to contract me directly.

Instructors: **Certified** Instructors assigned to coordinate and work with these programs have significant backgrounds in law enforcement/military and special weapons training as well as tactical training. The instructional staff includes personnel from federal law enforcement, military, former state department contractors. All instructors are assigned to active law enforcement tactical teams WITHIN THE STATE OF ALABAMA. We feel this is critical for the success of the program. This also allows the instructors to discuss Use of Force Case law as it pertains to **LE tactical operations**.

We train in all weather conditions except for lightning or other extremely hazardous conditions.

Standards: Complete all training objectives. APOSTC Pistol Qualification: Minimum 80 Percent; Pass performance on demand drills; Pass a 4-minute live fire performance examination, pass an exposure to OC (gas) environment without a gas mask, function as a member of a team and attend all training sessions.

Lodging: AGAIN: Tuition does not include lodging. Students must make their own arrangements.

Firearms: The student should be able to load, unload, manipulate, handle and reload their firearm in a SAFE and CONTROLLED manner. The student should be familiar with their weapon systems and equipment and possess the basic knowledge to be able to disassemble their firearm for cleaning, maintenance, and problem solving. The student will learn the four weapon safety rules and abide by the rules at all times. We cannot afford an unsafe student in any class. Safety violations are dealt with swiftly.
