ENROLLMENT CERTIFICATION

Once we have your Certificate of Eligibility (COE), and you register for classes, you will be put in our queue to work on for your first semester. We certify enrollments in the order that you complete those tasks.

For all benefits, if the student drops a course after the published drop dates, it could result in a debt with the VA and/or Jax State. The VA will send you a debt letter in the mail and Jax State will send you an updated student bill in the mail.

SATISFACTORY ACADEMIC PROGRESS:

Students using either the Alabama GI Dependent scholarship or ANGEAP must apply for their FAFSA every year and be eligible to receive federal aid in order to use these benefits. If you are unable to receive federal aid, you will not be able to use these benefits.

FEDERAL BENEFITS

★ Chapter 31 (Veteran Readiness and Employment)

Chapter 31 benefits include tuition, books, and supplies paid directly to the school. A VA Counselor decides if a veteran has an employment handicap based upon the results of the comprehensive evaluation. Entitlement to services is established if the veteran has a 20% service-connected disability and an employment handicap. If the disability is 10% service-connected, then a serious employment handicap must be found to establish entitlement.

★ Chapter 1606 (Montgomery GI Bill - Selected Reserves)

Students who are part of the Air Force/Army National Guard or the Air Force, Army, Coast Guard, Marine Corps, or Navy Reserve components may qualify for this benefit. Chapter 1606 benefits are a monthly stipend paid directly to the student. For more information for Chapter 1606 go to:

<https://www.va.gov/education/about-gi-bill-benefits/montgomery-selected-reserve/>.

★ Tuition Assistance (TA)

TA is available for all current service members on Active Duty or in the National Guard or Reserves. Service members must work with their branch education counselors to set up their education profiles and goals. TA will pay \$250/per credit hour of qualified tuition costs and the service member is responsible for paying applicable student, course, and program fees out of pocket. For more information on TA go to:

<https://www.jsu.edu/veterans/service-member-benefits.html>

★ Chapter 33 (Post 9/11) for Service Member and Chapter 33 Transfer of Entitlement

Chapter 33 benefits include tuition and applicable fees, a book stipend, and housing allowance. Tuition and fees are paid directly to the school. The book stipend and the monthly housing allowance (MHA) is paid directly to the student's designated bank account.
