Veteran Resource Guide

"Helping Military-Connected Families Flourish!"

Table of Contents

1. Introduction
2. Military ID Information
3. Regional Resources
4. Appendix

1. Introduction

This guide connects veterans across northeast and central Alabama with critical services and support. Resources are divided by region, then by county, and categorized into Basic Needs, Benefits, Social Needs, and Workforce Development. Each resource includes contact information, and a brief description of the services provided.

2. Military ID Information

Veterans may need a military ID for access to healthcare, commissary benefits, and more.

3. Regional Resources

This section provides a comprehensive list of veteran-serving organizations and services available throughout northeast and central Alabama. Resources are organized by region and county to help veterans and military-connected families easily locate support related to basic needs, benefits assistance, social and wellness services, and workforce development opportunities within their local communities.

4. Appendix

The appendix contains supplemental information and reference materials to support the use of this guide. This may include helpful links, definitions, forms, and additional contacts that do not fall within a specific region but are relevant to veterans and military-connected families seeking services and assistance.

Glossary

- **Veterans Affairs (VA)** -The U.S. Department of Veterans Affairs is the federal agency responsible for serving American's military veterans. It provides a broad range of benefits to uniformed services veterans and certain family members. Among these benefits are monthly, tax-free payments to disabled veterans; health care; education benefits; housing assistance; and burial benefits. To receive any of these benefits, a former servicemember must meet certain basic criteria, including the statutory definition of *veteran* (<https://www.congress.gov/crs-product/R47299>).
