study_____

Address to which you want books sent_____

City_____State_____Zip_____

Lisa Light will once again coordinate our book studies. I will forward your request forms to her so that she can send you information sheets to fill out once you have completed the study. TCs that coordinate studies for a group of teachers in their school will be paid a small stipend upon completion of the study and the returning of the forms.

You may send your forms back with your completed Fall Surveys, or you may mail them separately to me at

Gloria Horton
115 Stone Center
Jacksonville State University
700 Pelham Road N.
Jacksonville, AL 36265

All requests for fall studies need to be received ASAP. Those for spring should be in no later than November 1.
